Dear Parents,

Greetings from the Principal's Desk!

Some sporadic incidents of swine flu have been reported in the city. In this regard, the school has contacted the CMHO & other Public Health Departments and there are no guidelines of WHO or otherwise, for schools to close down on account of swine flu. According to CMHO, the following protocols should be followed: -

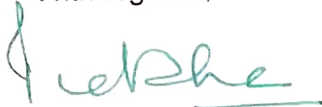

1. Nose & mouth should be covered with a tissue while coughing or sneezing and the tissue should be thrown in the trash after use.
2. Wash hands with soap and water after coughing or sneezing.
3. Touching the eyes, nose or mouth should be avoided.
4. If showing any symptoms of common cold, cough and flu, please refrain from sending the child to the school.

Separately, schooling is the most pleasurable and inevitable experience in child's life & thus, the child must make the most of it.

Also, due to the prevailing heat conditions, we are changing the school timings from Balwadi to Senior School w.e.f. May 02, 2022. The timings shall be as follows: -

School	Arrival	Departure
Balwadi	8:50 a.m.	11:30 a.m.
Primary to senior	8:00 a.m.	12:30 p.m.

With regards,

(Pratima Sharma)  
Principal
