Dear Parents,

Greetings from the Principal's Desk!

“Empathy is a special way of getting to know one another and yourself.”

To kindle empathy among students, the school takes a number of initiatives. One such initiative in this regards is to feed street dogs and other animals through the organization – Help in Suffering. For this, we request our students to bring one chapatti and put it in a box available at the school gate. Personnel from Help in Suffering will take the box every day.

Looking forward to your support for this initiative.

With regards,

(Pratima Sharma)

Principal
