

## BHARATIYA VIDYA BHAVAN'S VIDYASHRAM

K.M.-MUNSHI MARG, JAIPUR

Dear Parent,

03.05.2016

You would be happy to know that the school is initiating a unique course on **Personality Development through Theatre** for senior boys and girls (class IX and upwards). The course would prepare them for ups and downs of life—too harsh a reality to be ignored—so that they live a meaningful life. Its uniqueness lies in the fact that it will motivate them to transform 'setbacks' into 'comebacks.'

### Balanced Personality

The emphasis of the course will be on the all round development of personality in general but internally strong personality in particular i.e. character—an inside out approach. An attempt will be made to empower students with "wings of five" so that they are able to set and realise their cherished dreams.

### Expected Benefits

Theatre provides ample opportunity to learn the art of self-awareness and self-discipline, self-confidence and self-motivation, effective communication and interpersonal-relationships, leadership and team spirit, time making and time management, improvisation and visualization etc. At the same time, theatre helps in getting over negative emotions such as anger, anxiety, tension, worry. All in all, the teenagers would become more resilient and internalize the message that, "God made us so that we make a better world."

### Methodology

Games, stimulation exercises, script-writing, stage play, audio-visual presentation, etc would make the entire learning both absorbing and delightful.

### Short Play

At the end of the course, the students would stage a short play before the public—an opportunity for self-evaluation, self-rejuvenation and self-satisfaction.

### Faculty

The faculty comprises eminent mentors, motivators, performers, practitioners, behavioural scientists etc.
