Dear Parent,

Greetings from the Principal's Desk!

Please refer to Page No. 35 of the Scholar's Diary and note the following:

- All Periodic Tests and Examinations are compulsory.
- Medical leave during Periodic Tests and Examination days should be communicated on the very same day to the school.
- Retest will be allowed only if the leaves are sanctioned in advance.
- In the absence of the sanctioned leave, the school will be constrained to mark the child 'Absent'.

Your cooperation in this matter will help us achieve a better academic space for our children.

Warm Regards,

(Principal)
