K.M. Munshi Marg, Jaipur

Dear Parent

Warm Greetings

It has indeed been a wonderful journey mentoring your children over the years. Together we have been able to achieve the reputation and the name which Bharatiya Vidya Bhavan's Vidyashram, K.M. Munshi Marg, Jaipur stands for. It would not have been possible without your support and partnership. We thank you for the same.

We now further seek your kind cooperation for the following:

1. We value discipline and punctuality and wish to inculcate the same in children. School timings for students are 7:45a.m. to 1:45p.m. (refer page no. 54 of the Scholar's Diary). Hence we expect the students to reach the premises well before 7:50a.m., after which the school gate will be closed and no late comers will be allowed.
2. We discourage sending of tiffins, eatables, water bottles, etc. during school hours as it is difficult to establish the identity of the bearer and this may prove risky for your ward. This is done for security reasons and also as per advisory notes issued from Central Board of Secondary Education from time to time.
3. We request you to ensure that the school bags are arranged according to the time table.
4. It is also expected that your ward wears proper uniform and maintains a proper hair cut.

Together we wish to create a difference and help the child to put his/her best foot forward.

We look forward to your constant support as always.

With warm regards

(Pratima Sharma)
