**BHARATIYA VIDYA BHAVAN'S VIDYASHRAM,**  
**K.M. MUNSHI MARG, JAIPUR**

Dear Parent,

Greetings from the Principal's Desk.

Performing Arts play a significant role in academic achievements, build confidence and self presentation skills. However, the current scenario shows a different picture - an academic overload, with little scope and attention for pursuing performing arts. With the overwhelming emphasis on academic excellence and achievement it is easy for the students to be swamped in the sea of ambition. This is often at the cost of emotional creativity which is absolutely essential for societies which aim for constant growth and innovation.

However we need to realize that one is not at the cost of the other. Emotional creativity will only encourage ambition in students. Performing Arts not only provide an emotional as well as creative outlet for children but because of the confidence and communication skills that they equip the children with, the children become empowered in whatever career path they choose to follow, as they become adults.

With this philosophy, Bhavan's Jaipur Kendra is launching an ambitious project of establishing a centre for conducting Cultural and Social Activities round the year under the guardianship of Smt. Priyadarshini Kachhwaha, Founder Principal (Retd.), Bharatiya Vidya Bhavan's Vidyashram, Pratap Nagar, and Consultant for Cultural & Social Activities, with its office inside the Maharana Pratap Auditorium.

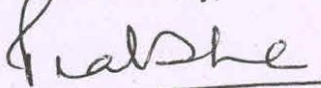

In the first phase, we are creating 'Bhavans Suruchi Kendra' the cultural wing of the Bhavan's Jaipur Kendra with the aim of imparting training in various Indian Classical and Folk Performing Arts. The purpose of training is to enable the students as well as their family members imbibe the true Indian Culture and Values, besides producing individuals of worth. These activities shall be open to all sections of the society above the age of 10 years.

The venue will be the Sports Complex of Bharatiya Vidya Bhavan's Vidyashram, K.M. Munshi Marg and classes will be held on Saturdays (from 4:00 p.m. to 6:00 p.m) and Sundays (10:00 a.m. to 12:00 noon). Well experienced faculty will be conducting the activities.

We hope, you shall extend all cooperation and support to the project and encourage your ward and others to make the best use of this opportunity. We're sure that your efforts will help them explore the hidden talent and potential, contributing to their personality development.

For more details you may contact the School Reception during school hours.

Yours faithfully,

(Pratima Sharma)  
Principal
