

BHARATIYA VIDYA BHAVAN'S VIDYASHRAM, JAIPUR

Dear Parent,

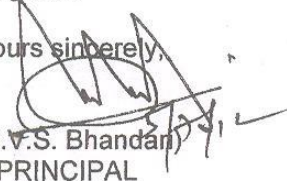

Instilling and nurturing reading habit in children is an important goal of education. Watching television has become such a habit amongst children that they seldom read books other than textbooks.

Dimdima aims at inculcating the reading habit in children. This magazine has been recognized as a 'Highly Useful Education Monthly' for children.

The magazine continues to offer a special discount for Bhavan's students. Now the annual subscription fee is just Rs. 200.00 instead of Rs. 240.00. Dully filled subscription form along with Rs. 200.00 should be sent at the earliest. This subscription for Dimdima is entirely voluntary.

Regards,

Yours sincerely,

(S.V.S. Bhandari)
