Summer Vacation Homework (2019 – 2020)
Classes – I to V

Hike mountains, run through fields
Explore forests, swim in the waters
Climb trees, breathe the wild air
Gaze at the stars, it is summer time !

Summer Vacation is a time full of fun and frolic, going for picnics, playing for long hours, exploring new places and much more.

There is a lot more to do, to make your vacation more interesting and meaningful. We have planned some interesting activities for you. So get ready to enjoy your summer vacation.

- "Knowledge is Power." Therefore read lots of books to cultivate your reading habit and develop your vocabulary. It will also increase your attention span and improve your spellings. So explore your imagination and go on a ride in the fantasy world. Read the novels / books mentioned according to the respective classes and prepare a book review.

Class-I	: Cinderella / Rapunzel / Snow White and the Seven Dwarfs.
Class-II	: Aesop's Fables
Class-III	: The Adventures of Pinocchio
Class-IV	: Alice's Adventures in Wonderland
Class-V	: Oliver Twist / Harry Potter

- Draw a poster or write a slogan motivating others to save natural resources and be eco-friendly.
- Spend quality time with your parents, siblings and grandparents. Go for a picnic with your family and paste a family picture of the same.
- Get up early in the morning and see the rising Sun. Allow nature's peace to flow into you as sunshine flows into trees. Go for walks with your family, you will realize you have two of the God's greatest gifts NATURE and YOUR FAMILY. Thank God for these gifts. Draw a painting of the rising Sun
- "A healthy mind lives in a healthy body." So run, exercise and sweat. Play outdoor games and channelize your energy. Make a list of the games you played and write down the benefits derived from each one of them.
- Trees are our best friends. Plant a sapling, nurture it daily, take care of it and observe it grow. You will definitely contribute to a healthier Earth.
- Visit a historical place/planetarium/ zoo/temple/old age home/amusement park etc. Paste pictures and write a paragraph (Classes – III to V) sharing your experiences.
- "Stay stronger and live longer" Go for shopping with your parents, read the labels of the food products and you will note that every food pack bears nutritional information. Develop a habit of reading the date of manufacturing and expiry mentioned on the packets. Collect the labels of different food products and write down the date of manufacturing and the date of expiry. Prepare a summary on which type of products have a longer shelf life and why?

Note: Do your work neatly in a separate thin note book.

STAY HYDRATED ! STAY COOL ! HAVE FUN !
