

**Bharatiya Vidya Bhavan, Balwadi**

**K .M.Munshi Marg, Jaipur**

Dear Parent,

Dt : 29.06.2020

Greetings from the Principal's desk,

It is always a pleasure for us to reach out to the parents of our dear little students. Hope you all are safe and fit at your end. The term 'New Normal' has been graciously adopted by all of us in our lifestyle.

Inspite of the fact that the year 2020 has posed a lot of challenges, we, at the Balwadi are all set to provide the best to our kids through the digital learning platform. As always we would require your constant support and cooperation to make our endeavour a success.

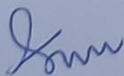

The main purpose behind this alternative mode of education is to eliminate the learning gap which otherwise might creep in the process of teaching learning. While designing our online lessons we have kept the length of the videos very short so that our students have limited screen time each day. We shall be sharing pre recorded videos there by making it convenient for you to help the child view the assignment as per your availability.

For the smooth functioning of the online classes we request you to please note the following:

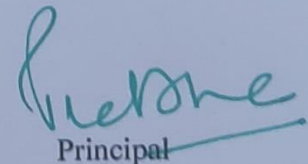

<b>Session re-starts from</b>	➤ July 6,2020
<b>Mode of teaching</b>	➤ Online pre recorded lessons, assignments & activities
<b>Assignments</b>	➤ All students are expected to have the bookset , as from now on all the assignments will be done by the students in the workbooks and copies which have been provided in the bookset. ➤ The parent needs to click a clear picture of the work done by the child and should send it through what's app to the class teacher latest by 11:00 pm of the same day & date on which the assignment was sent. If the work is done in the work book then please ensure that the picture bears the page number of the work book.
<b>Attendance</b>	➤ If the parent submits the picture of the work done by the child on the specified time and date then the child will be marked present else he or she will be marked absent.
<b>Checking of assignments</b>	➤ The teachers will keep a keen eye on the work done by each child and as and when required she will be in regular touch with the parent and the child regarding the child's progress
<b>Communication with the teachers</b>	➤ The teachers will be available on their cell phones from 11:00 am to 1:00 pm except Saturdays.
<b>All Saturdays</b>	➤ Saturdays will be an off for all Balwadi students.
<b>PTM</b>	➤ Virtual PTMs (Individual Interactive sessions will be held with each parent & child through video calls – time schedule for the same will be provided to each parent in due course of time)

The minds of our kids are most fertile at this stage so let us leave no stone unturned to provide them with the stimulus which will enhance their curiosity and learning abilities. So with this aim let us join hands and work together as a team.

For any other kind of help and assistance you are requested to contact our front office during school hours.

Headmistress- Balwadi
