Dear Parent,

The school diary is a personal organizer for your ward. It provides details about rules and regulations of the school and schedule of all important events. It depicts all the activities of the session. It highlights what the school expects from the child.

Prayers teach us to be so strong that nothing can disturb our peace of mind. Hence prayers and hymns have been given a place of preference in the diary, to express our gratitude towards God, for all that he has given us including our life.

You are the first teachers of your child who lay down the foundation of his personality. Hence spending quality time with your child will go a long way in developing him into secure and confident human being. This diary will assist you in your endeavour.
