

BHARATIYA VIDYA BHAVAN VIDYASHRAM
K.M MUNSHI MARG, JAIPUR

Classes IX & XI

Ref.: BVBV/2020-21/ 317

Dt. 15.02.2021

Dear Parents,

Greetings from the Principal's Desk!

We are sure that you are keeping good with your family.

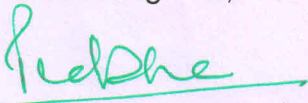

Looking into various requests made by parents, the school is working upon the said requests and considering the option of online Annual Examination as well. We wish to further state that the Central Board of Secondary Education has clearly declared that the board examination will be pen & paper examination that would be in physical form. Thus, it is advisable that children take up the pen & paper examination so that they do not lose practice of writing examinations. Though, the school will provide option for online Annual Exams as well.

The date sheet for both the options online as well as offline shall be provided shortly. The school is following all Covid related guidelines with respect to Practical, please note, for Practical throughout the day the apparatus is used by one child only & the same along with the Class rooms and Laboratories are sanitized daily after the children leave the school. It is also advisable that children carry their own sanitizers. The logistics for providing transport facility is being worked out and shall be made available shortly.

Please understand that education is a joint venture and we request our worthy parents also, to educate their wards not to stand in groups and follow Covid guidelines with respect to social distancing at all times. All of us have to work in unison to tide off the ill effects of the havoc that the pandemic has broken lose on the entire world.

After all! Our children alone are our sole priority.

With regards,

(Pratima Sharma)
Principal
