

‘Go Green’ Poster Making Competition

Primary Section organized the ‘Go Green’ Poster making Competition’ on October 23, 2019, for class IV. The participants gave vent to their imagination and showcased their creativity through the art work. Students touched many aspects related to environment in their paintings like global warming, save trees, effects of pollution, 3 R’s, etc. The children wonderfully depicted the dangers harming the planet and also the uniqueness of the planet was showcased through the variations of colours. Further the way the little artists displayed the uniqueness and beauty of a green world was commendable.
