

## **Inter-Section Advertisement Designing Competition**

Social Science department organized an inter-section Advertisement Designing Competition for students of class-7 and 8 on 4<sup>th</sup> November, 2019. The topic for the e-Advertising Competition was “Jaipur –A heritage city”.

Each team had to prepare a slide on the spot of the above mentioned topic and all the necessary materials were provided. The slides were judged on the basis of the relevance to the topic, layout and colour scheme and the special effects given.

Beautiful slides were prepared by each team with animated pictures, animated texts, tag lines and background music.
