

IX - XII

Dear Parents,

Wishing You A Very Happy New Year !

In compliance with the government order the school shall function in offline as well as online mode for classes 9th to 12th with effect from 18th January 2021 onwards. The school shall operate on 50% capacity each day and the students will be called to school according to a time table which will be shared shortly. The school shall initially begin with 4 periods timetable spread over 3 hours. In case, you are willing to send your ward to attend the offline classes, please give your consent to the class teacher of your ward today itself. Your consent shall help us to facilitate working out the operational modalities of running the school.

Kindly note that all the COVID protocols laid down by the Government will be maintained by the school. A detailed circular in this regard will be sent across shortly.

Regards

Principal

GUIDELINES FOR PHYSICAL OPENING OF THE SCHOOL FOR CLASSES IX TO XII
FROM 18TH JANUARY 2021 ONWARDS

Guidelines for Students & Parents

- No Entry shall be permitted in the school premises without a mask
- The mask has to be worn all the time. Also carry a spare mask.
- Every child must carry his/her own bottle of sanitizer.
- Every child must carry his/her own tiffin and water bottle.
- Sharing of tiffins, bottles and stationery shall not be allowed.
- Lunch shall be taken in the classroom and at designated spot only
- Hand hygiene has to be followed at all times.
- Standing in groups shall not be allowed.
- Keep sanitizing your hand and wash it with soap and water
- Crowding inside the washroom and at the water points shall not be allowed.
- If a student is unwell and shows symptoms of common cold and flu, he/she not be sent to school. In case your ward suffers from any comorbidity, please speak to the doctor and produce a fitness certificate before making your ward join the school.
- A distance of 6 feet has to be maintained while studying and seating.
- To and fro transportation shall be managed by parents.

As per the Govt. orders, the school will take the following measures considering the safety and security of students: -

- The school shall operate on 50% capacity and the students shall be called to school according to the given staggered timings.
- The classroom shall be sanitized with sodium hypo-chloride before the starting of the class and after the students leave.
- The washrooms shall be sanitized, multiple times in a day
- The fully trained School Nurse will be available round the clock on campus
- An empanelled school doctor shall be available on call.

Our preparedness in fighting the menace shall be our biggest strength.
