

Mathematics Department

Inter Section Power Point Presentation

Mathematics department conducted an Inter Section Power Point Presentation Competition for Class – VIII on “Mathematics in Day to Day Life” on October 21, 2019. The purpose of conducting the activity was to make the children aware of the importance of Mathematics in our daily life. Mathematics is the cradle of all creations. Everyone needs Mathematics in their day to day life. Students participated with full enthusiasm. There were 12 teams in all, 2 teams from each section consisting of 4 students each. Each and every team made very interesting and relevant presentations.
