

Dear Parents,

Greetings from the Principal's desk!

The Summer Vacation are drawing to a close and we hope you all must have made the best utilization of the same, even if it was under restrictions laid by the Government due to the pandemic. The teaching-learning process shall resume from July 01, 2021 via online mode as per the Timetable given prior to the vacation.

Looking forward to better days when offline classes could be possible, till then, be safe and stay healthy.

Regards

(Pratima Sharma)
Principal
