

NEWS LETTER

Achievements at CCGMUN

The school delegation of 8 students participated in CCGMUN which was held on 18-19 November, 2023. It was an enriching experience where the students showcased their excellence. The winners are as follows :

1. Yathartha Kumar (IX-F) Best Delegate in UNICEF.
2. Sarthak Jain (IX-C) High Commendation in the Committee UNGA-DISEC.
3. Ronit Jain (IX-A) High Commendation in Committee WHO.
4. Yash Khandelwal (BENIN) Special Mention in Committee UNW.
5. Siddhatri Soti (IX-A) (San Marino) Special Mention in the Committee UNHRC.
6. Adarsh Lahoty (XI-F) Verbal Mention in the Committee UNGA-DISEC.

Inter-School English Debate Competition - Manthan

Vidyashram School participated in the prestigious Manthan-Inter-School English Debate Competition held at Birla Public School, Kishangarh, on November 28, 2023. The event witnessed intellectual rigour and eloquence as teams from various schools across the region engaged in a battle of words and ideas.

The school team comprising Yashovighrah Rathore (XI B), Diva Maheshwari (XI E), and Yuwaan Bhatia (XI E) exhibited remarkable oratory skills, depth of knowledge, and articulate arguments throughout the event. Their prowess in articulating thoughts, backed by thorough research in a limited period of one hour captivated the audience and impressed the judging panel.

After a series of intense rounds filled with insightful discussions and persuasive presentations, the Vidyashram School team emerged as second position holders of the Manthan Inter-School English Debate. Their achievement signifies the school's commitment to nurturing and honing the communication and critical thinking skills of its students.

BHAVAN'S DIPLOMACY SUMMIT '23

BHAVAN'S DIPLOMACY SUMMIT '23 was organised on 23rd & 24th of November 202 in the school campus. The two days session gave a chance to around 200 students to participate in a journey of exploring new agendas and deliberation with the theme "Chart the uncharted" by involving in four committees namely UNGA - DISEC, UNSC, AIPPM, UNHRC and showcasing their diplomatic and debating abilities.

The ultimate goal was to foster an environment where ideas flow freely and are accepted irrespective of the differences in opinion. UNGA-DISEC addressed the Challenges of Disarmament in Post-Conflict Zones while UNSC deliberated over the ongoing Israel-Hamas conflict. UNHRC reflected upon the global refugee crisis with special emphasis on the conflicts in Palestine, Ukraine and Afghanistan.

The contemplations on issues were not only international but regional issues were also taken into consideration in AIPPM with the agenda being overview of the Indian democracy since 1975. The solutions discovered during the deliberations are a testimony to the culmination of the event.

Bharat ko Jano Quiz - 2023

Bharat Vikas Parishad Organised a quiz in which **Adwik Sharma** of XI C and **Divya Maheshwari** of XI E qualified for the Semi Final Round while **Vishesh Jhalani** of VIII C and **Nehal Grover** of VIII B qualified for the Final Round.

We Can Schools

An Inter School Competition '**We Can Schools**' was organised at Jawahar Kala Kendra ,Jaipur in which Arshia Jain of XI B secured 1st Position for her exceptional talent and academic excellence.

The school received the 2nd Prize for providing holistic education to the students as a result of which the entire team of students could perform exceptionally well in the various competitions.

Exceptional Achievement at ABSS UNESCO Awards in Bangkok

Tanishka Srivastava, a talented student of IX - C, has brought immense pride to her school by winning a Gold Medal and a Special Award at the ABSS UNESCO Awards-2023 in Bangkok, Thailand. This outstanding achievement took place during the 12th Cultural Olympiad of Performing Arts organized by Akhil Bharatiya Sanskrutik Sangh. Tanishka's dedication and prowess in the performing arts were truly remarkable, earning her not only the prestigious Gold Medal but also a Special Award, highlighting her exceptional talent on an international platform.

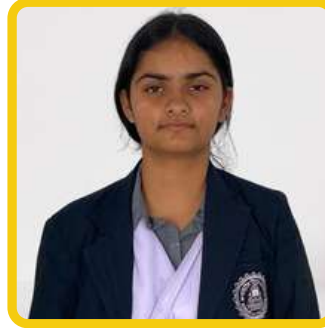

Her presence at the event in Bangkok reflects her commitment to excellence and serves as an inspiration to her peers also. The spirit of excellence that Tanishka exemplifies is worth appreciating.

Painting Competition

Elisha Jhanwar

Kritika Shukla

Bal Education Trust, Gujarat organised an Online Painting Competition 'Unleash Your Art 2023' on the theme 'Realistic' at the National Level in which **Elisha Jhanwar** (11 F) secured the 1st position and **Kritika Shukla** (11B) stood 3rd.

Photography Competition

Aaruni Choudhary

Aaruni Choudhary of XII B stood 3rd in 'Capture the Moon' Astro Photography Competition which was a part of Chandrayan Utsav, an initiative of the Ministry of Education Government of India.

Inter School Music Competition

A Music Competition on the theme '**Harmony and Integrity**' was organized by Janki Devi School, Jaipur on November 04, 2023 in two categories.

The school secured the 1st Position in VIII -X Category and 3rd Position in V - VII Category.

Inter School Dance Competition

In an Inter School Dance Competition was organised at Janki Devi School on the theme 'Harmony'. The Classical dance performance by Vidyashram students won them the 1st Position in Classical Dance.

The participants were Bhavika Garg (VIII B), Udita Sharma (IX C), Mittali Goswami (IX C), Toshni Garg (IXA), Tanishka Srivastav (IX C), Vidushi Shukla (VIII E), Srishti Agarwal (VIIC), Shreshtha(VI B) and Ishanvi Sharma (VIA).

The graceful performance of our dancers truly embodied the spirit of unity and coordination, showcasing the talent and dedication that led to this well-deserved victory.

Magic of Science: Science Exhibition

Bharatiya Vidya Bhavan Vidyashram K M Munshi Marg, Jaipur, recently hosted an exhilarating Science Exhibition, showcasing a myriad of innovative projects and scientific discoveries. The event, held on November 01, 2023 in the school's premises, was a testament to the students' unwavering dedication and passion for scientific exploration. The Principal Ms. Preeti Sangwan and the Vice-Principal Smt. Smita Bhatnagar inaugurated the event.

The Exhibition featured an impressive array of projects, ranging from intricate models demonstrating complex scientific concepts to interactive experiments that captivated the audience's imagination. Grade VI, VII and VIII participated in the event and were given the topics accordingly.

Magic of Science: Science Exhibition

It also provided an opportunity for students to engage with educators from MGD Girls School, and MGPS, Jaipur who offered valuable insights and guidance, fostering a spirit of inquiry and intellectual curiosity among the participants.

Automatic Bomb Diffuser , Alkaline Water Purifier , Train Collision Avoidance System, Algae as a super hero and many more projects were appreciated. Demonstration of creative scientific activities straight from the young ignited minds made this exhibition truly intriguing. It was a fruitful event where students learnt to showcase their models by creatively using innovative ideas. The event concluded with igniting a spark in young minds to fulfil their dreams in the field of Science.

3D Kalam and Techno Craft Boot Camp

The 3D Kalam and Techno Craft Boot Camp, held from October 30 to November 1, 2023, at the school, was a highly successful event promoting experiential learning, STEM education, and innovative thinking among students. Organised collaboratively by BVB, Jaipur, and Class24 Afterskool, the three-day camp provided students with rich, immersive experiences.

The event commenced with an inspiring talk by Mr. Ankit Singhal, Co-Founder of Class24 Afterskool, emphasising the significance of STEM education. Participants engaged in hands-on workshops covering 3D Pens technology, Paper Circuits, and foundational STEM principles. Students in classes' I-IV learned about electricity through role plays.

3D Kalam and Techno Craft Boot Camp

The second day focused on team-based problem-solving challenges, encouraging collaborative thinking and innovative solutions. Classes V-VII students gained practical insights into 3D Pens and design thinking, while classes' I-IV created Electrical Torches using kits provided by Afterskool, learning about switches and current flow. On the third day, students showcased their skills and creativity in solving real-world challenges. Classes' I-IV created models with 3D Pens, and classes V-VII confidently utilised 3D Pens to design models, inspired by YouTube demonstrations. The event concluded with an awards ceremony, celebrating outstanding projects and innovative solutions.

The Boot Camp was a tremendous success in fostering experiential learning, STEM education, and problem-solving skills among students. The Boot Camp was a tremendous success in promoting experiential learning, STEM education, innovative thinking, and problem-solving skills.

Rhythms of the Desert

Simultaneously, the Maharana Pratap Auditorium played host to the Cultural Evenings, offering a captivating showcase of Rajasthan's diverse cultural tapestry. The Inaugural Ceremony of this mega event took place on 16 November, 2023 and was graced by Shri K.G. Raghvan, Chairman, Bharatiya Vidya Bhavan Bengaluru Kendra as the Chief Guest. Shri V. C. Surana, Chairman, Jaipur Kendra welcomed the gathering. The students of Vidyashram also gave their scintillating dance and music performances. The cultural presentations were enjoyed by hundreds of spectators every evening. The festival culminated on 22nd November 2023.

This celebration not only served as a platform for today's youth to engage with traditional art forms but also fostered a deeper connection with the roots of Rajasthan's cultural heritage. The echoes of the vibrant rhythms of the desert lingered, leaving an indelible imprint on all those who were part of this cultural voyage.

Diwali Celebration at Vidyashram

Bharatiya Vidya Bhavan Vidyashram, K.M. Munshi Marg, Jaipur brought a radiant glow to the hearts and minds of its students with an enriching Diwali celebration aimed at imparting valuable lessons and fostering holistic development. This initiative, carefully curated for Balwadi students, encompassed a series of engaging activities designed to achieve specific objectives and meaningful learning outcomes.

The Tiny Tots grasped the message of truth triumphing over evil through the mythological story of Ramayana. They appreciated the significance of celebrating Diwali and witnessed the value of empathy as a fundamental trait.

The Mega puppet show by the teachers on 4th November 2023 in the Auditorium was attended by parents and grandparents along with the children. Storytelling sessions on Ramayana and Bhajans on the theme were organised everyday for a period of one month.

The behavioural aspects of respect were demonstrated through Ramayana characters. Teachers spoke to children about the hazards of bursting crackers.

Diwali Celebration at Vidyashram

Sweets were distributed among the less fortunate, thus the little ones learnt to be generous and helpful. Fine Motor Development, aesthetic sense and finger muscle development took place through various craft activities like Diya Decoration activity. Children wore ethnic dresses and were encouraged to bring their favourite sweets in the lunch box.

The school premises, echoed with joy and vibrancy as the students of Std.I & II also gathered to celebrate Diwali, the festival of lights. The children came dressed up in a myriad of vibrant colours. The day was filled with an array of engaging activities. From making vibrant rangolis to crafting beautiful diyas, the students immersed themselves in the artistic essence of Diwali.

Diwali Celebration at Vidyashram

Story telling sessions were held where the tales and qualities of Lord Rama were narrated. The day concluded with smiles and giggles on every face. This Diwali celebration at the school was not just a festival but a journey of enlightenment and holistic growth for the young minds

Rocket Designing and Launching

Astronomy Club organized a rocket designing, launching and parachute landing Workshop cum Competition for the students of standard VII –IX on 30th November, 2023.

The zeal of the participants was quite prominent in the Lilliputian rockets. The students designed, built and created the rockets deploying plastic bottles and cardboard for body and fins and water and air as propellants.

The competition not only triggered the imagination and creativity of the students but also provided a wonderful opportunity to attain first-hand experience on the basic principles of Physics that is the Newton's third law of motion on which the rockets work. The vigor and enthusiasm of the students were well directed and nurtured during the Astronomy workshop on 28th of November 2023.

The activity stirred the young scientist to study the basic concepts of rocket engineering dynamics and apply the fundamental principles of physics to design and test water rockets which used air pressure as a propellant.

Overall the experience and learning outcomes were quite promising.

NCC Activities

The NCC Naval wing cadets got an opportunity to experience Boat pulling at Jalmahal, Jaipur, on both November 3 and November 7, displaying teamwork in such challenging activities.

On November 23, the cadets actively participated in a Poster Making activity as part of the NCC day celebrations. This event not only highlighted their artistic abilities but also their dedication to commemorating significant occasions. The diverse skills demonstrated by our cadets reflects their holistic engagement in NCC activities.

Seminar by 'Help In Suffering'

A session on "Help In Suffering" by NGO Representatives was organised on November 7, 2023 in the Conference Hall. The Interact Club organized an insightful seminar to enlighten its members about the commendable work of the NGO "Help In Suffering" in Jaipur, Rajasthan. The aim was to create awareness among the members about the organization's efforts, its impact on the community, and opportunities for student involvement.

They shared success stories and challenges faced in their journey. They presented statistics and real life examples to illustrate the impact of their projects on the lives of the underprivileged street animals that had been abandoned and left on the street. The seminar highlighted opportunities for students to actively participate in the NGO's initiatives to make a meaningful difference. The event successfully achieved its goal of raising awareness about the NGO "Help In Suffering" and promoting a sense of responsibility and empathy among all the club members.

Interact Club members attended a seminar at IIS University on November 03, 2023.

The seminar focused on understanding the vision of Interact clubs and knowing about the activities organised by Rotary International for the school students.

Motivational speeches focused on the relevance of stress management.

Aarush Chopra of X-D secured an award for 100% accuracy in an online quiz conducted by Rotary Club.

Communal Harmony Week from 19th to 25th November 2023

Interact Club organised a Poster Making Competition during Communal Harmony Week for class IX students on November 23, 2023. The theme for the competition was "Represent a country and its Cultural Diversity." Aishwarya Malhotra of IX-B stood 1st, Saanvi Derashri of IX-B stood 2nd while Kanishka Prajapat of IX B remained in the 3rd Position.

A session was organised for the members of the Interact Club on November 29, 2023 which was oriented by Aarush Chopra of class X-B. It was an enlightening session where the members learnt about the efforts and the endeavours that the Interact Club undertakes for helping the community.

French Club- La Semaine Française

'**La Semaine Française**' - A Week dedicated to French Activities, from November 3 to 10 2023 for the students of classes V-X was organised.

The French Poem recitation for Class-VI, The French Song Singing Competition for Class-VII, Collage Making on French Monuments for Class-VIII, PPT Competition describing the Culture and Civilization of Different Cities of France, Skit Competition on various topics for classes VIII & X were organised. The students very enthusiastically participated in these activities and showcased their French language skills.

FRANCE
l'Hexagone

CULTURE
La culture française est l'une des plus anciennes et des plus diversifiées d'Europe, influencée par les cultures celtique, romaine et germanique. La culture française est connue pour sa cuisine, sa philosophie, son art, sa mode, etc.

HISTORY
France, officiellement République française, France française ou République française, pays du nord-ouest de l'Europe. Historiquement, parmi les nations les plus importantes du monde occidental, la France a également joué un rôle très important dans les affaires internationales.

Education Through Monuments

As a part of Education through Monuments students of classes VII to IX along with their teachers Smt.Monika Rai and Smt. Mary James visited the chosen site Abhaneri Stepwells a magnificent relic of the 9th century crafted by the Rajasthan's rulers.

The students exhibited a keen interest in the historical significance of this monument by engaging in discussions and interactions with the knowledgeable guide on site.

One of the highlights of this educational excursion was that the students got a chance to explore the scientific and mathematical aspects of the Abhaneri Stepwells. Through a series of hands on experiments and activities, the students were able to grasp the structural intricacies and engineering marvel behind these stepwells.

They understood the practical application of concepts like geometry, symmetry and fluid dynamics in the Stepwells design.

This visit ignited their creativity and motivated them to think critically about the preservation of cultural heritage.

The visit to Abhaneri Stepwells near Jaipur was a truly enriching experience. The combination of History, Science, Mathematics and innovation made this trip a remarkable education opportunity for the students.

Poem Recitation

"Recitation is one of the most effective modes of learning a language and appreciating a piece of literature." Poem recitation Activity was conducted for the students of classes I and II.

Class I students portrayed different moral values through their recitation which also made them aware of varied human emotions.

Class I students expressed deep love for nature and also showed affection towards grandparents through their poetry. The activity boosted their confidence and left a lasting impression on the audience.

Story Narration

Storytelling is a powerful way to communicate ideas, make the listeners find understanding and empathy for others and to inculcate the desired virtues among them. English Story Narration Activity was conducted for the students of class III. Students presented moral-based stories, some of which were from Panchatantra Tales, Jataka Tales, Aesop's Fables etc. The budding narrators used appropriate hand props which captivated the attention of the audience.

Library Activity - Story Character Dress Up Day

Junior library conducted an activity "Story Character Dress Up Day- Role play" for class II. The primary aim of the activity was to foster a love for reading and stimulate the student's interest in various characters from their favourite storybooks.

They embraced the opportunity and dressed up as their beloved storybook characters like Cinderella, Aladdin, Snow White, Rapunzel etc. By actively engaging with the character and their narratives, the participants developed a stronger connection with the world of literature, thereby inculcating a desire to read and explore more story books in future.

Visual Representation of Fraction Circle

Students of class IV were asked to make different things with fractional parts of circle. They cut out circles from different coloured sheets. One full circle was represented as one whole. Two halves of the circle were used to make a ladybird, four one-fourths of a circle were used to make a butterfly, a half and two one-fourths of a circle were used to make tulip and fish was made using a one-fourth and three-fourth of a circle. Children learnt that nature around us using shapes mathematically to form different life forms.

Inter - section English Spell-Vocab Quiz

Quiz is a wonderful way to engage, enhance and test language abilities. An inter-section English Spell- Vocab Quiz was conducted for the students of class V in the Maharana Pratap auditorium. After the preliminary round, two students were selected to represent their section. There were six rounds including a rapid fire round based on spellings and various vocabulary related topics. The teams tried their best to score well in the specific time limit and outdo the opponent teams. It achieved its objective to create awareness of the possibilities of using varied words, significance of correct spellings and vocabulary.

Grandparents Day Celebration

Grandparents are family's greatest treasure, the founders of a loving legacy, showering us with love, wisdom and cherished memories. To honor them, the tiny tots of standard-I hosted a heartwarming celebration for their beloved grandparents. The auditorium came alive with vibrant performances including dances, musical songs, a captivating skit and also a poem, all meticulously prepared by students to honour their grandparents.

It was hundred percent participation where each child was a pillar of energy showcasing their talents. Few activities for the grandparents were also organised. From jovial 'Just a minute game' to intriguing 'memory challenges', the grandparents immersed themselves in every activity. Crafting sessions witnessing a fusion of creativity and imagination as both grand children and grandparents collaborated to make paper bags. The highlight was the 'Show your talent' segment, where grandparents proudly displayed their skills and captivated the audience.

The grandparents day at Bhartiya Vidya Bhavan Vidyashram was a heartening display of intergenerational love and bonding. The joy, the experiences and the bridging of generations gap through various activities, made this event an unforgettable experience. The smiles on the faces of grandparents, tears of happiness and heartfelt applause served as a testament to the success of this event.

Swimming

Hriday Bhojwani won a Bronze Medal in 50m Butterfly Stroke Boys U-11 Event. Krishnaditya Singh secured 17th Rank in 37th National Games held at Goa. 3rd Place: Nilgiri

Inter House Junior Boys Cricket Tournament

Nilgiri House stood First, Vindhyachal House stood Second and Shivalik House got the Third Position. The participants displayed their remarkable cricket skills.

In **Girls Inter House Cricket Tournament** Vindhyachal House stood First, Shivalik House Second and Nilgiri House Third. The tournament was in itself a memorable sporting event.

Inter-House Tournaments

Inter House Basketball Senior Boys Tournament

All the teams showcased outstanding sportsmanship in Inter House Basketball Senior Boys Tournament. Team Aravali stood 1st with their electrifying performance. Exemplary effort by Team Nilgiri, showcasing skill and determination helped them get the 2nd Position. Stellar performance of Team Shivalik demonstrated their teamwork and helped them get the 3rd Position. The participants displayed an awe inspiring display of sportsmanship.

Health and Wellness Check-Up Camp

From November 21 to 24 November 2023, Smile Central conducted a Dental Check-Up and Jaipur Netralaya hosted an Eye Check-Up Camp for students of classes V to X. This collaborative effort aimed to ensure the overall well-being of our young learners, emphasizing the importance of oral and visual health.

A total of 360 students underwent a thorough eye examination conducted by the expert team from Jaipur Netralaya. The comprehensive eye check-ups not only assessed visual acuity but also detected any potential issues early on, enabling timely intervention and preventive measures. The dedicated professionals provided a valuable insight into maintaining good eye health and offered guidance on proper eye care practices.

Simultaneously, Smile Central conducted dental check-ups for 300 students, focusing on preventive dental care and promoting oral hygiene. The check-up not only addressed existing dental concerns but also educated students on the significance of regular oral care routines to maintain healthy smiles.

Such initiatives contribute significantly to the holistic growth and prosperity of each student, ensuring their good health and well-being.
