

NEWS LETTER

39th Annual Day

The school celebrated its 39th Annual Day on December 20, 2023. The programme commenced with lighting up of lamp followed by Sarvadharmha Prayer.

The Chief Guest Dr. K.K. Pathak appreciated the efforts of the participants unequivocally and emphasized on the need for multifaceted development of children.

School Principal Ms Preeti Sangwan presented the Annual Report highlighting the awards and the accolades of the session 2023-24.

39th Annual Day

Shri Rajendra Bhanawat congratulated the achievers and the performers in his presidential address.

Students presented a spectacular display of coordinated and synchronised moves in the cultural programme.

39th Annual Day

Dance drama *Mann ke Mausam* depicting the co-relation of human emotions and the changing seasons weaved a heart-warming tale of man and nature with the symphony of dance, drama and music.

Keeping up with the theme, budding singers of the primary section presented the Song of the Seasons in fusion with Indian classical music.

39th Annual Day

Tabla Recital was yet another highlight of the programme wherein the nimble fingers of promising tabla players created a magic of taal and rhythm. School Head Boy Aditya Vardhan Roy and the Head Girl Aarna Bhatnagar presented the vote of thanks. The programme concluded with the National Anthem.

SGFI National Swimming Championship

Remarkable Achievement at SGFI National Swimming Championship.

It is a matter of pride to announce that ten exceptional swimmers from Vidyashram have been selected to represent our school at the prestigious SGFI National Swimming Championship. Krishnadiya Singh, Sahil Gupta, Tanishq Sharma, Gaurang Modi, Gagan Meena, Praniti Singh Choudhary, Erika Agrawal, Prisha Sharma, Dakshina Joshi, and Serena Agrawal have earned their spots to compete in the under 19, 17, and 14 Boys and Girls categories.

This outstanding achievement not only showcases the talent and dedication of these young athletes but also sets a record for the maximum number of swimmers selected from a single school for the SGFI National Swimming Championship.

We wish our swimmers the best of luck as they dive into this prestigious competition, representing Vidyashram with pride and sportsmanship. Let's cheer them up as they compete in the SGFI National Swimming Championship in Delhi from 3/01/24 to 9/01/24.

Tabla Darbar Triumph

Our school's maestros etched their names in the Guinness World Records, resonating their rhythmic prowess through Gwalior at the prestigious Tansen Samaroh. Over 1300 tabla enthusiasts gathered, creating a symphony of beats and melodies. Embracing the rich cultural heritage of tabla playing the following students from Vidyashram - Ojjas Jain (VIII), Mohammad Zaman (IXC), Abber Tiwari (IX C), Devansh Singh (VII F), Diwaker Sharma (XI F), and Priyansh Khatri (VIII) left an indelible mark on the event.

Their collective dedication and rhythmic finesse contributed to the grandeur of the event. This extraordinary gathering of tabla players not only showcased our students' musical prowess but also demonstrated the power of unity in creating a mesmerizing tapestry of sounds. The event's inclusion in the Guinness World Records serves as a testament to the collective talent and spirit that our school fosters.

Let us celebrate this achievement and look forward to more such milestones, where our students continue to shine and bring glory home on both national and international stages.

Bhavans Vidyalaya Panchkula organised Kulwant Singh Literary Fest from December 21 to 22, 2023. In Lullaby Singing Competition BVB Vidyashram, K M Munshi Marg, Jaipur singers stood First.

The participants were Ansh Bhargava (VIII E), Suyesh Dadhich (VIII D) and Devansh Singh (VIII D).

Story Narration Activity

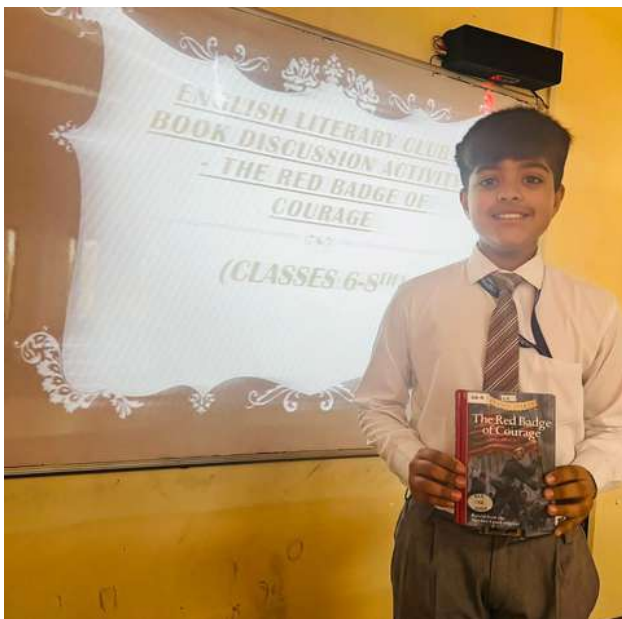

The Department of English organized a captivating story narration activity for the Class VII students, aiming to cultivate their creativity, language proficiency, and storytelling abilities. The students exhibited remarkable enthusiasm and creativity during the storytelling activity.

English Literary Club Book Discussion Activity

With an Objectives of promoting reading culture, enhancing critical thinking ,fostering communication skills and creating a collaborative learning environment, 'Book Discussion' was organised for the students of classes VI to VIII. The event witnessed an enthusiastic turnout, with students actively participating and wholeheartedly engaging in the discussions.

Throughout the session, the students showcased their keen interest in literature, sharing insights, perspectives, and opinions on the book under discussion. Their enthusiasm and eagerness to express their thoughts highlighted their passion for reading and exploring new literary realms. Notably, the active participation and insightful contributions made the event both enjoyable and intellectually stimulating for all involved.

As a token of recognition for their exemplary speaking skills and valuable contributions, badges were awarded to the best speakers at the culmination of the event.

Story Telling on Indian Mythology

Department of Social Science organised Story Telling on Indian Mythology for the students of Classes –VI to VII. Children prepared beautiful props to enhance their performance & participated enthusiastically. Story Telling on Indian Mythology provided an opportunity to develop new ideas and collect information on Indian mythology. It also helped in inculcating moral values and learn to lead a life in an honest and truthful manner.

JAM Session

The Department of English conducted a dynamic "Just a Minute" (JAM) session aimed at enhancing the speaking and spontaneous communication skills of Class VI students. This activity was designed to promote quick thinking, coherence in speech, and confidence in expressing ideas within a minute.

Throughout the session, students engaged in diverse topics spanning various interests and themes.

Role Play Activity

The Department of English organized an interactive Role-play Activity for Class VIII students, aiming to immerse them in experiential learning and enhance their communication, collaboration, and critical thinking skills through practical engagement.

The students showcased creativity in improvisation, effectively portraying emotions, and presenting varying perspectives on the given scenarios. The activity facilitated active engagement and fostered a sense of teamwork among the students.

Help in Suffering

The Interact Club Members, accompanied by club moderators, undertook a visit to "Help in Suffering", a shelter home dedicated to street dogs. The compassionate initiative involved the donation of essential supplies, including milk, bread, biscuits, bedsheets, blankets, newspapers, and dog food, along with a generous cash contribution of Rs. 3100/-.

During the visit, students were sensitized to the plight of street animals, particularly dogs, and were educated on administering basic first aid to alleviate their pain and suffering. This experience aimed at nurturing empathy and kindness among the students, fostering a sense of compassion that extends beyond human interactions to embrace the well-being of animals. The visit successfully contributed to shaping the students into more compassionate and caring individuals.

Sanskrit Quiz

Department of Sanskrit organized Sanskrit Quiz for Classes VI-VIII. The event aimed to foster a deeper understanding and appreciation for the language among the young participants.

The quiz witnessed enthusiastic participation from numerous students who showcased their knowledge and passion for Sanskrit.

The quiz encompassed an array of intriguing segments. Participants were tested on their familiarity with celebrated figures such as Kalidasa, Aghaṣṭa, Veda Vyasa, Valmiki, and Bāṇabhaṭṭa, among others. It delved into multifaceted aspects of these personalities' contributions to Sanskrit literature.

Participants showcased exceptional depth and breadth of knowledge, responding to queries regarding epic tales like the Ramayana, Mahabharata, and the Vedas, displaying their profound understanding of these revered texts.

The event was not only a platform for intellectual stimulation but also an avenue for nurturing enthusiasm and passion for Sanskrit. The quiz witnessed enthusiastic participation, showcasing the students' dedication and interest in the language's rich cultural heritage.

Jaipur History Festival 2023 : Education Through Monuments

The Jaipur History Festival 2023 was organized by the City Palace Museum on the theme "Education Through Monuments" from December 5-8, 2023 in which the students from classes VII to IX participated and showcased their projects based on the monument adopted by our school, the Abhaneri Stepwells.

Through charts, experiments, and artwork, they effectively explained interdisciplinary concepts related to the chosen monument (Abhaneri). The emphasis was placed on demonstrating how a monument can serve as a teaching pedagogy for all subjects.

More than 1500 students from various schools across India participated in the festival. It proved to be a great learning experience for the students, providing them with a platform to showcase their knowledge and creativity. The event highlighted the potential of monuments as valuable educational tools, contributing to a broader understanding of history and various academic disciplines.

Visit to Dr. Radhakrishnan State Central Library

The students of the Library Club had the opportunity to visit Dr. Radhakrishnan State Central Library on December 14, 2023. It is a significant hub of knowledge and cultural heritage, named after the renowned philosopher and India's second President, Dr. Sarvepalli Radhakrishnan. It stands as a beacon of learning and enlightenment. The visit proved to be a great experience for all the students with a tour of the entire library.

They were enthralled to see the large collection of books in a multitude of languages. This experience provided the students with the functioning of such an enormous library, with a vast collection of books on every topic and subject. Apart from the library, the children also enjoyed a book fair where they got to purchase books from various authors. The children returned back with a book in hand and a grin on their face

Flowers Quiz

The Flowers Quiz aimed to test the knowledge of the students from classes 8 and 9 on various aspects of flowers, including their types, characteristics, and ecological significance.

The Students from classes VIII & IX actively participated in the quiz, showcasing their enthusiasm by answering questions on a wide range of topics, ensuring a comprehensive assessment of the students' understanding of flowers. The inclusion of visual aids, such as diagrams and images of different flowers, enhanced the quiz experience and provided a practical dimension to the theoretical knowledge.

This quiz proved to be an engaging learning activity, thus fostering a deeper appreciation for the beauty and significance of flowers among students. The event not only assessed their existing knowledge but also served as a platform for collaborative learning.

Obscura 4.0 - Photography Exhibition

The Photography Club organised a photography exhibition titled "Obscura 4.0". The event was a grand showcase of the students' talents in various categories of photography.

The exhibition featured a diverse range of photographs, including those focused on nature, architecture, still photography, light photography, and street photography. Each category was a testament to the students' creativity and technical skills, with each photograph capturing unique perspectives and narratives.

The event was well-received by both parents and students, who highly appreciated the efforts made by the students. Obscura 4.0 was a celebration of young talent and the art of photography. The event not only showcased the students' abilities but also highlighted the vibrant and dynamic culture of Bharatiya Vidya Bhavan Vidyashram. Showcasing of Club Activities.

Club Exhibits

Each club meticulously prepared easel boards adorned with vibrant displays and informative content, showcasing their unique activities and achievements.

Numerous volunteers, passionate about their respective clubs, eagerly engaged with parents, offering detailed explanations about the club's objectives, activities, and the enriching experiences they provide to students. The atmosphere buzzed with enthusiasm as parents gained insights into the holistic development opportunities available to their children through these clubs.

Club Exhibits

The dedication and commitment of both club members and volunteers were evident, fostering a sense of pride and enthusiasm among the attendees. The event successfully portrayed the education that goes beyond academics.

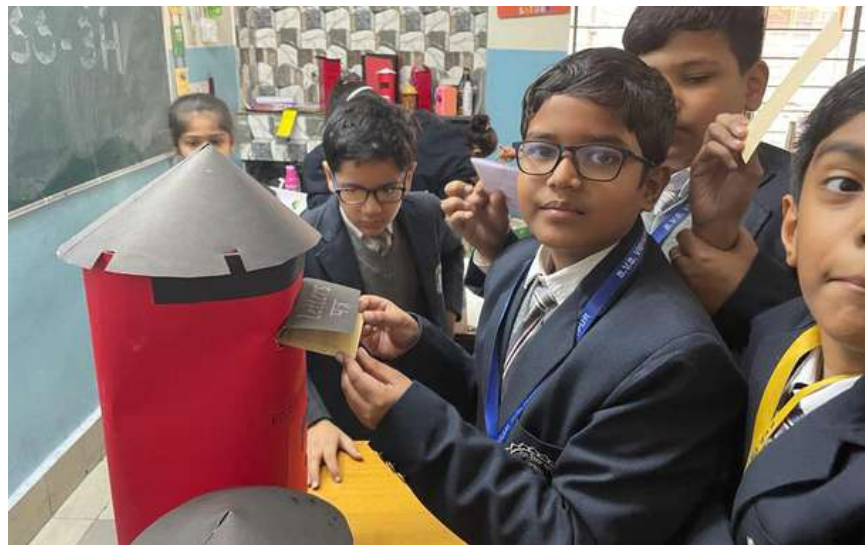

The PTM's club activity showcase was a resounding success. This provided a platform for parents to understand and appreciate the multifaceted growth opportunities the school provides through its diverse club offerings.

Postal Activity

Writing a letter to a friend or a family member strengthens the bond. The recipients appreciate the effort invested in physically writing, stamping, addressing and mailing the letter. To bring this bond amongst the students, a postal activity was conducted for the students of grade III. Students expressed their thoughts and feelings in writing to their friends along with learning the process of posting a letter.

Poster Making Competition

A Poster Making Competition on the topic 'Maths in Daily Life' was organised for classes VI to IX. Students displayed the use of Mathematics through their posters. They showed the use of Maths in real life by drawing fractions through pizza, circles, time, cube and cuboids through buildings, rooms, concept of ratio and percentage through sale/purchase, area of land and the concept of decimals through money and quantity. Children could relate Mathematics with nature and moral values. Almost 900 students participated with zeal and enthusiasm.

The aim of the Poster Making Competition was not just to judge the students based on their creative aspects but also to trigger thought process among the students towards Mathematics.

Making of Clock using Paper Plates

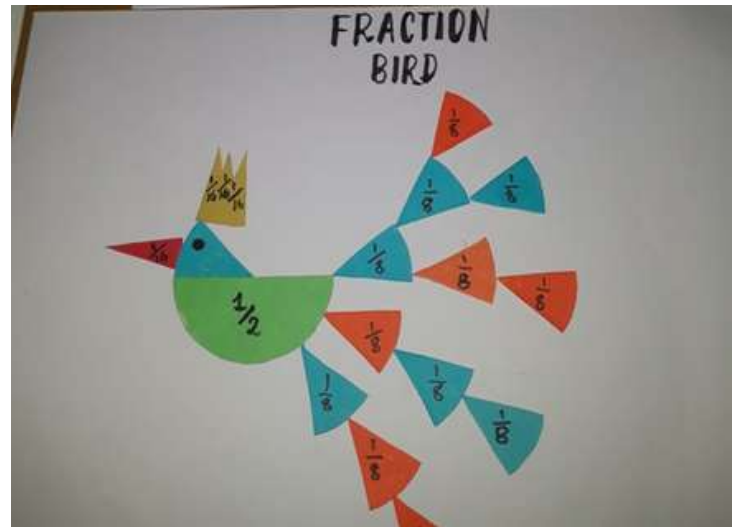

The students of class III made clock using the paper plates. They not only learnt about the measurement of time but also engaged in a hands-on, creative process that promotes fine motor skills and self-expression. This project serves as an interesting and educational way for young minds to recognise numbers and tell time. Students used their creativity in completing the activity and enjoyed it.

Fraction Bird Activity

The Fraction Bird activity conducted for class V, aimed to provide students with a hands-on understanding of fractions by creating a visual representation using coloured sheets. Each student was tasked with making a fraction bird, utilizing various fractional parts cut out of circles with given radius. Overall, the Fraction Bird activity proved to be an effective and enjoyable method for reinforcing students' understanding of fractions through hands-on creative learning. After completing the activity, a reflection session was held to discuss discoveries made, and the importance of fractions in real-life contexts.

Library Activity - Who Am I ?

Primary library conducted an activity "Who Am I? Character Mapping" for the enthusiastic participants of class I. The primary aim of this activity was to engage students in reading stories, identifying and analyzing characters' attributes.

They were encouraged to actively engage with the text, taking note of the behaviour, actions, dialogue, and interaction of different characters. By engaging in this activity, students not only developed a deeper understanding of characters but also refined their analytical and communication skills.

Helpers' Day Celebration

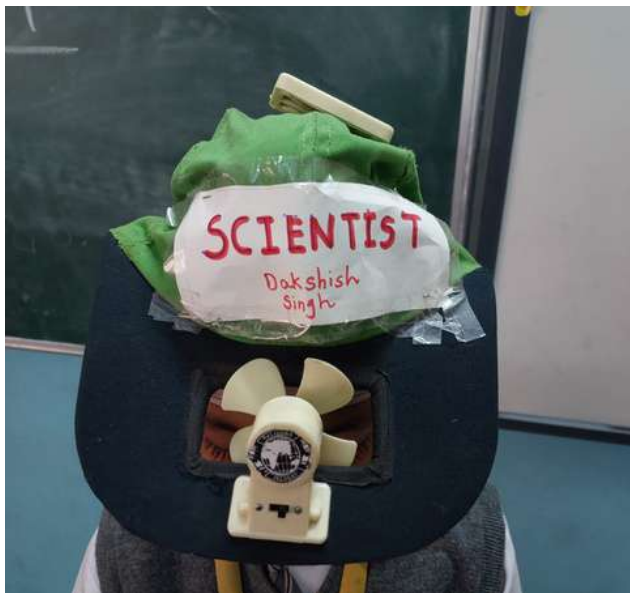

The vibrant spirit of appreciation and gratitude filled the air as Std I students celebrated Helpers' Day. The event commenced with a series of engaging activities designed to bridge the gap between the students and the school helpers. From thrilling lemon race to classical musical chair and challenging balancing race, water bottle filling contest, each game brought together the students and the helpers.

These thrilling activities were followed by prize distribution by the students and the teachers. The students not only cheered the participants but also felicitated the winners with medals. The primary goal of the event was to instil empathy among the students, allowing them to recognize the value of every individual within the school.

My Ambition Activity

Social Studies Department organised a speaking activity on the topic 'My Ambition' on for class III. The students shared their ambitions, why they are drawn to those aspirations. They brought props related to their ambitions and expressed their views. Through this activity, they had a chance to explore their ambitions and develop speaking skills.

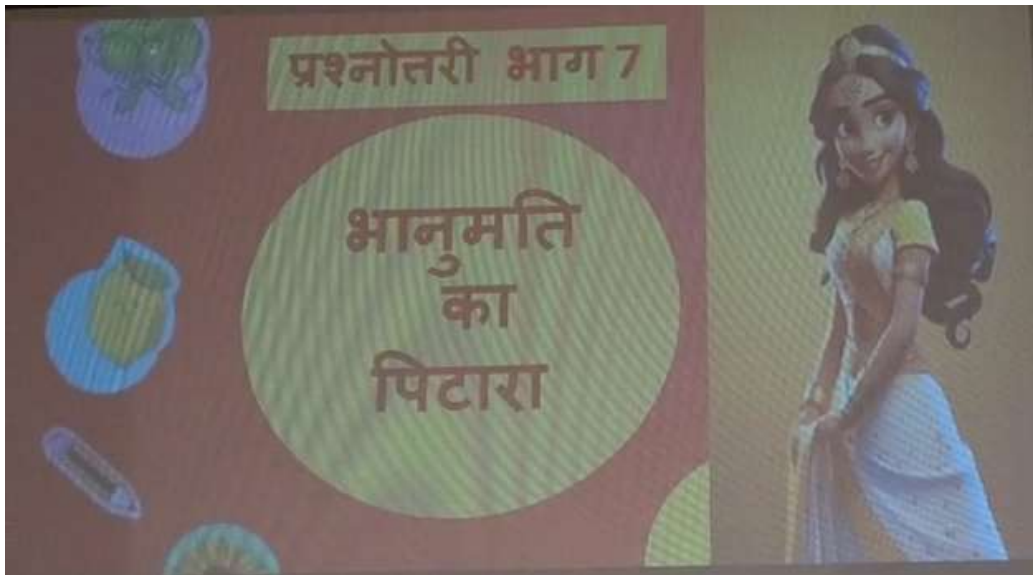

Hindi Quiz

A Hindi Quiz was organized for Classes IV & V on December 22, 2023 in Maharana Pratap Auditorium.

The quiz achieved its objective of bringing awareness about the importance of four skills of language: listening, speaking, reading and writing. The quiz was an extraordinary learning event not only for the contestants but also for the audience. Both participants and spectators were thrilled and excited by the event. The winners of the competition were Harshita Dugar VA and Adit Agarwal IV A

Origami Activity

Origami is the Japanese art of paper folding. The objective was to transform a flat square sheet of paper into a finished sculpture through folding and sculpting techniques. It helped children to develop patience, concentration power and motor skills.

The children enthusiastically made envelope, dog's face, Santa and reindeer book mark .

The students of classes I to V used their creativity in completing the activity and enjoyed it thoroughly. It was the first origami project for little hands to enjoy this Christmas.

Poster Making Activity

Social Studies Department organised a Poster Making Activity on the topic 'War And Peace' for class V.

The objective of the activity was to engage students in thoughtful exploration of the concept of War and Peace through the creation of informative and visually appealing posters. The posters created by the students provided an insight into their understanding of war and importance of peace in the world. The posters were supported by appropriate slogans.

Art Workshop by Ms. Abhilasha Bhartiya

A painting workshop was conducted by Ms. Abhilasha Bhartiya on December 16, 2023 for the students of the Primary School. She focused on enhancing creativity and love for colours among the participants. Through engaging activities and hands-on experiences, children explored their artistic potential, creating a vibrant and inspiring environment. The workshop aimed at nurturing a deep appreciation for creativity and the beauty of colours in the young minds.

Strokes of an Artist

Annual Day Preparations from the Strokes of an Artist Tushita Garg (V-D).

Christmas Celebration

A special assembly was organised on December 23, 2023 to celebrate the festival of Christmas. Santa Claus added joy and warmth to the festivity, children sang carols and danced on the foot tapping numbers. A magnificent tableau depicting the birth of Jesus Christ was displayed and the assembly resonated with melodious carols. With this, the children bid adieu to 2023 and welcomed 2024.
