In compliance with the provisions of clause (e) of sub-section (2) of Section of the Rajasthan Schools (Regulation of Fee) Act, 2016 (Act No. 14 of 2016) and Rule 3(2) of the Rajasthan Schools (Regulation of Fee) Rules, 2017, Bharatiya Vidya Bhavan Vidyashram, K.M. Munshi Marg, Jaipur convened its Second Parent-Teacher Association (PTA) Meeting for the academic session 2026-27 on September 19, 2026.

**1. Welcome and Purpose of the Meeting**

The meeting commenced with a formal welcome extended to the members of the Parent-Teacher Association by the Secretary, PTA. Subsequently, Ms. Preeti Sangwan, Chairperson of the PTA, was invited to address the gathering. In her remarks, she emphasized that regular interaction between parents and teachers is essential to review the overall progress and development of the school and its students. She highlighted that such meetings provide a constructive forum to deliberate upon: Academic performance and learning progress, Co-curricular and sports achievements, Student welfare and holistic development, Career guidance and support for competitive examinations, Scholarships and student incentives, Infrastructure and facilities, New school initiatives, Matters of general concern to the parent body.

**2 The chairperson apprised the gathering about the achievements of the school**  
**(a) School Recognition and Co-Curricular Achievement**

On the basis of the school's co-curricular performance for 2025-26, Bharatiya Vidya Bhavan's Vidyashram, K.M. Munshi Marg Jaipur was ranked Second among the 21 Bhavan schools by Bharatiya Vidya Bhavan, Mumbai under Schools with Distinguished CCA Pursuits.

**(b) Academic Progress and Board Examination Results**

The Principal presented the Class X and Class XII Board Examination results for 2026, including pass percentages, school averages, distinctions, centums, stream-wise performance and the distribution of results.

Class X: 235 students appeared; the pass percentage was 100%; the school average was 80.63%; 54 students secured 90% and above; and 40 centums were recorded.

- Class X: 163 students (69.36%) were placed in the distinction category and no student was below first class.
- Class XII: 213 students appeared; the pass percentage was 100%; the school average was 83.29%; 61 students secured 90% and above; and 24 centums were recorded.
- Class XII: 171 students were placed in the distinction category and 42 in first class; none were below first class.
- The three-year stream-wise performance for Class XII was also presented, with Humanities showing a rise across the three years and recording 86.62% in 2026.

**(c) The outgoing batch's admissions to leading institutions were also highlighted:**

four students to IITs, three to MNIT, three to BITS, two to National Law Universities, two to NIFT, and one each to IISER, IIM, SRCC, the University of Warwick, UK.

The presentation also covered competitive examinations, including JEE Advanced, NEET and State Talent Search Examination achievements.

**(d) Vidyashram Advanced Programme (VAP)**

The Vidyashram Advanced Programme for Classes IX to XII was explained as a school-run advanced academic programme conducted by the school's own faculty within the school. The programme is intended for students of Classes IX to XII who are ready for additional academic demand in Science and Mathematics.

- The 2026-27 enrolment was reported as 113 students: 23 from Class IX, 38 from Class X, 30 from Class XI and 22 from Class XII.
- Advanced Science and Advanced Mathematics have been introduced at Class IX, with two additional Class IX sections opened for these subjects.
- The school presented student-migration data for high achievers leaving after Class X: 12.50% in 2024-25 and 7.40% in 2025-26.
- The school attributed the reduction to the combined effect of merit scholarships and the Vidyashram Advanced Programme.

**(e) Sports and Co-Scholastic Achievements**

Sports achievements up to 12 August 2026 were presented. The school recorded 192 medals across eight disciplines: 79 Gold, 68 Silver and 45 Bronze. Swimming accounted for the largest share of medals.

It was also highlighted that the U-14 Girls Badminton team won Gold at the CBSE Cluster Tournament at Banswara, described as the school's first-ever Cluster Gold in girls' badminton.

In co-scholastic activities, the school's debaters received eight individual awards across seven formats, including five Best Speaker titles and three Promising Speaker titles. thinking and Artificial Intelligence, and Advanced Science and Advanced Mathematics at Class IX.

- The Pickleball Court, established under the One Child One Sport initiative, was reported to have 125 student participants and to be open to parents and the wider community during morning and evening sessions. Parents interested in using the court may register with the Sports Department.
- The proposed One-Day Career Fair will include a College Readiness Studio, application-writing sessions and a Profile Audit. The K. M. Munshi Memorial Lecture will become an annual December feature. The Student Leadership Programme will be conducted separately for Classes IX–XI over four to five days in Term 2.

**3 School Level Fee Committee (SLFC), 2026-27**

The constitution of the School Level Fee Committee for 2026-27 was taken up as a statutory item of business. The Chairperson apprised the members of the process for its formation. The Committee will comprise one representative of the management, the Principal, three teachers and five parents selected by draw of lots. Seventy-five parents have applied so far, and the names of all applicants will be uploaded on the Private Schools' Portal (PSP). Parents who have paid the PTA fee of ₹50 may still apply.

**4. Questions, Suggestions and Matters Raised by Parents**

The meeting included an open interaction with parents. A number of practical suggestions and queries were raised, which were noted for further consideration. The queries were answered by the Chairperson to the satisfaction of the parents, and suggestions for improvement were duly noted. The matters raised and the responses given are recorded below:

- Concerns were raised regarding **water and ducting-related issues** and the need for timely maintenance. **Response:** *The Chairperson assured parents that the maintenance team would inspect the water supply points and ducting across the campus, and that a regular maintenance schedule would be followed. Specific problems may be reported to the school office for prompt attention.*
- Parents requested that a **self-defence programme** be started for students and that such initiatives be continued. **Response:** *The suggestion was welcomed. The Chairperson stated that self-defence training would be planned for students, this year, may be a week long program and from the next session for a longer duration.*
- The need for maintaining good **hygiene in the washrooms** was highlighted. **Response:** *The housekeeping staff have been instructed to increase the frequency of cleaning, and washrooms will be checked regularly by supervisors to ensure hygiene is maintained.*
- A query was raised regarding the **AC bus facility**. **Response:** *The Chairperson informed parents that the school will examine the feasibility of air-conditioned buses. As this would increase the cost of transport, it may be offered as an optional facility, subject to demand from parents.*
- Parents suggested adequate measures for **mosquito control**, including spraying and the provision or use of nets wherever required. **Response:** *Fogging is already carried out regularly on campus; its frequency will now be increased. Areas prone to stagnant water will also be checked and cleared.*
- Parents appreciated the **Nature Nurture curriculum** in Balwadi, particularly how it differs from the curriculum followed in Class I. **Response:** *The Chairperson thanked parents for their feedback and explained that the curriculum follows a nature-based, experiential approach, supported by continuous teacher training. The feedback will be shared with the Balwadi team.*

*Academic Session 2026-27*

- A query was raised regarding the **Cambridge curriculum**, with parents seeking more information about its structure, relevance and possible implementation. **Response:** The Chairperson informed parents that the school has applied to Cambridge International Education for the Cambridge Primary programme, with implementation proposed from the 2027-28 session. Details of the structure and academic pathway will be shared with parents once the approval is received from the head quarter.
- Parents also asked how students can gradually build a **strong profile for college admissions**. **Response:** The Chairperson explained that a strong profile is built steadily from Class IX onwards through consistent academic performance, sustained involvement in a few chosen activities, leadership roles, community service and participation in competitions. The One-Day Career Fair in October 2026, with its College Readiness Studio and Profile Audit, will guide students and parents further.

Meeting ended with thanks to the chair at 1:30 p.m.
